Sponsorship Program

Dear Dr. Cordie Williams Supporters and Families,
Dr. Cordie Williams & Chris Lippe, Co-Founders of **1776 Forever Free** seek to assist those who served our country, improve their lives, and that of their children, through our **Veteran's Tuition Fee Assistance Program**. We are seeking to enlist your help in getting the word out about **1776 Forever Free**, which enables us to offer a scholarship program for veterans to access our Educational Freedom Courses and Events.

Our Mission at 1776 Forever Free:

* 1776 Forever Free is a nonprofit community organization supporting all Americans' Constitutional Rights *

We believe in a government that supports economic freedom, freedom of speech, and the right to peacefully assemble, as provided in the Constitution.

We believe the Earth and its environment must be protected to provide longevity to humanity. We are inclusive of all political parties, races, genders, spiritual and personal beliefs provided to us as Americans through and by the Constitution.

We believe that Government overreach, when unconstitutional or invasive in nature, will always be discouraged by 1776 Forever Free followers. Our goal is to lend support and waive fees to help Veterans access our classes, faculty and curriculum within the Freedom Education products and events to these individuals who have given all to our Country and our personal liberties and freedoms.

At this time we are in search of community partnerships, sponsors and donors to help fund the scholarship program and to launch this program supporting Dr. Cordie's effort to move the needle on Freedom through access to truthful information, educational opportunities through the expert speakers and instructors our staff works so diligently to acquire for our 1776 Forever Free presents platform. Monetary donations are needed and welcome but we are also seeking donations of in-kind goods for raffles and auctions at our fundraising events. If you or someone you know has a product, service, special training or skill to offer, we have a volunteer application online at 1776foreverfree.com/contact-us/ and we appreciate your support in this way as well. Donations may be tax deductible, consult your personal financial advisors.
